

VII

Image and Video Acquisition

7.1	Image Scanning, Sampling, and Interpolation <i>Jan P. Allebach</i>	895
	Image Capture • Fourier Analysis of Image Capture • Sampling Rate Conversion • Image Interpolation • Conclusion • References	
7.2	Video Sampling and Interpolation <i>Eric Dubois</i>	911
	Introduction • Spatiotemporal Sampling Structures • Sampling and Reconstruction of Continuous Time-Varying Imagery • Sampling Structure Conversion • Conclusion • References • Further Information
